

Outdoor Writers Association of California Application for Outdoor Outreach Grant

Since 1986, the objectives of the Outdoor Writers Association of California (OWAC) have been: 1) to provide forums where craft professionals from throughout California and the West can exchange ideas, experiences and information, 2) to highlight craft improvement and excellence to its members, 3) to focus public attention on the field of conservation, 4) to become aware of and participate in outdoor activities throughout the state and region, and 5) to provide a liaison with the outdoor industry.

Each year, OWAC provides funds for outdoor-oriented California nonprofit groups through mini-grants ranging from \$250 to \$500. Preference is given to groups that introduce young people to the outdoors and outdoor recreation, but others are also encouraged to apply.

To apply for an Outdoor Outreach grant, print and complete this form and mail to:

Alexia Retallack
Outdoor Outreach Chair
P.O. Box 7895
Auburn, CA 95604

Applications are accepted year-round.

See www.OWAC.org/outdoor-outreach/ for recent recipients and information about how they used their grants.
